

## Intensive courses during the semester break of summer semester 2024 (July - September 2024)

### Registration

#### How?

A detailed description of the registration procedure can be found under [Course registration](#).

#### When and where?

Registration for the intensive courses is only possible using the **Language Center online form**.

**Registration opens:** a few months **after** the registration period for courses that take place while classes are in session. As soon as the exact date has been set, it will be published under [Registration forms](#). Please do not use the registration form for courses that take place while classes are in session.

**Deadline:** 1 week before the start date of the relevant course

#### How are course places assigned?

The number of course places is limited. The course places are assigned according to [priorities](#) - as with the courses that take place while classes are in session.

You can find out whether you have a place in your selected course by checking online under [Course lists](#) two days before the course starts.
