

How to register for language courses in Italian, Spanish and Turkish that are taking place during the semester break

I have no prior knowledge at all of the language I am registering for. You will first have to complete Einstiegsmodul 1. Teil / Grundmodul 1 (Introductory module, part 1 / Foundation module 1) in your selected language. These courses take place only when classes are in session.

It is not possible to register for these courses here.

Exceptions:

- Spanish for <u>ABV courses</u> for students enrolled in bachelor degree programs (offered jointly with the Instituto Cervantes)
 - > Course offer (PDF)

Please note: It is not possible to register for these courses on Campus Management (CM). The Language Center will register the course in the CM system and will enter the results when you have completed the course or, in some cases, will issue a certificate to confirm that you took the course.

You can find out whether you have a place in your selected course by checking online two days before the course starts.
