Registration for summer semester 2025 opens:
March 17, 2025

Deadline:
April 8, 2025, 9:00 a.m.

> Online forms

Important: Registering on Campus Management is not enough to secure a place. You should register on Campus Management only when you have already been assigned a place, starting in the middle of the second week of classes.

I have some **prior knowledge** of the language I am registering for (even if this knowledge is very basic).

I have already attended a course in this language at Freie Universität's Language Center and would now like to register for the next course in the series.

→ Select a class at the level of the next course in the series
> Course catalog

I have never taken a course in this language at Freie Universität's Language Center.

→ Prospective students for bachelor degree programs with specific language requirements should take part in a language and/or placement test for prospective students
> **Sign up for a test**

→ All other students (including Erasmus+/direct exchange, master's students, students enrolled at other universities, etc.) **must** take part in an ABV (General Professional Skills) placement test. This is a prerequisite for enrolling in a course.
> **Information about the test and test dates**
(the test result is generally valid for a further two semesters)

→ Select a class based on the outcome of the placement test
> Course catalog

You can find out whether you have a place in your selected course by checking online on the Friday before the course starts.

*This does not apply to students enrolled in the BA program "History and Cultures of the Middle East" with a focus on Arabic, Islamic Studies, and Semitic Studies who want to register for a compulsory language course in Arabic as part of their degree. These students should register directly via Campus Management from the middle of the second week of classes. If this applies to you and you also have prior knowledge of Arabic and are taking part in a course at the Language Center for the first time, you should also contact the advisory team for Arabic at koordinationarabisch@sprachenzentrum.fu-berlin.de.
